

# Rules changing December 2021

Help to stop the spread of Covid-19

## From Friday 10 December

Face coverings are mandatory for most indoor public venues including places of worship, theatres and cinemas, as well as in places like shops and hairdressers.

**Face coverings are also mandatory** on public transport.

#### Where are masks not needed?

Masks won't be needed in pubs or restaurants, nor in venues like gyms where it's not practical to wear them.

## From Monday 13 December

People should work from home if they can.

## From Wednesday 15 December

People will need an **NHS Covid Pass** - showing their **vaccination status or a recent negative lateral flow test** - to gain entry to nightclubs; indoor unseated venues with more than 500 people; unseated outdoor venues with more than 4,000 people; any venue with more than 10,000 people.

You are encouraged to do lateral flow tests (LFT) before entering a high-risk setting - such as a crowded place - "involving people you wouldn't normally come into contact with, or when visiting a vulnerable person".

Go online to book a test or a home test kit at <a href="www.suffolk.gov.uk/coronavirus-covid-19/getting-a-test/">www.suffolk.gov.uk/coronavirus-covid-19/getting-a-test/</a> or call 0333 772 6144 (interpreters are available).
